Profile

Am creative and detail-oriented graphic designer with a passion for crafting visually compelling designs using industry-leading tools and platforms. Proficient in Adobe Creative Suite (Photoshop, Illustrator, InDesign), Canva, Figma, and other design-centric websites and apps. Skilled in branding, layout design, and digital illustration, delivering innovative and high-quality visuals that align with client objectives. Driven by a love for creativity, design trends, and user-centered solutions.

Experience

Graphic Designer
Luzua Computers | Jan 2024- Sept 2024
In this work place I got to interact with the market. I did several graphics, editing and creating from scratch posters, invitations, brochures and Logos.

Graphic Designer
Word of life Church | Nov 2023-Sept 2024
I used to serve in media and publicity.I gained more skills than those I had and I could now create Event graphics, Brochures and catalogs, E-book and digital publication layouts,Posters, banners, and flyers and E-book and digital publication layouts.

Graphic Designer
FREELANCER | Sept2024 - To date
As a remote and hybrid freelancer I developed skills to relate to the client and negotiate. I advanced my skills and started doing Interactive presentations, Email marketing templates ,Website and app design (UI/UX) ,Business cards and others.

Skills

- Leadership
- Communication
